## PASTOR'S THOUGHTS

by Pastor Floyd

Fhubb53300@aol.com

Cell: 614-648-2272

You have heard it before. It's a saying that has been around for a long time. There have been poems authored and songs written with the saying, "It's been a good day." But what do these five words mean? I have a friend who says, "It's been a good day" if I don't have to take one dollar out of my pocket. He is also one of the wealthier people I know. For those of us who play sports or support a particular sports team, when we claim a really tough victory, we might say (or yell out) "It's been a good day!" In the same vein, after finishing a grand Thanksgiving or Christmas feast with family and friends, we too may say, "It's been a good day," as we loosen the waist belt of our pants and struggle to find a way to sit comfortably in front of the TV.

So, it would seem that in the multiple contexts above, the "It's been a good day" saying is in reference to being happy or content during a twenty-four-hour period. We have managed to dodge the snares and trouble of a world that often seems as if it has turned against us, always pawing away at our joy. There were no bills or past-due notices in the mail, and there is food in the refrigerator . . . "It's been a good day."

May I offer one more perspective? I too have used this saying, but not in the way you might expect. It has to do with loss. Often, at the end of a funeral I officiate, I share these same five words. Why? Because often the person who departed has passed through life's troubled waters. They may have experienced extreme pain from a horrible disease that has been eating away at their body. Or worse (if that's possible), loneliness from a mind that has lost all memory of the past. Family members names,

friends, and things held dear . . . gone forever in a private world. Then, there was a day of another funeral. A day we call "Good Friday." The day that Jesus died on the cross for our benefit, paying the supreme price for the sins we, you and I, have committed. Are we able to say in these contexts . . . "It's been a good day"?

So, which is it? A day that is good because we are physically comfortable without worrying? Or is it "a good day" because, in our loss and in our faith for the future, we have hope? I suppose it can be both, but I think we need to tweak our saying just a bit in light of the latter. How does this sound? "It's been the best day" when we are in the presence of the one who rescued us from certain death.

## FAMILY JOYS, ANNOUNCEMENTS AND NEWS

Abby Perdew has just returned from her class trip to Spain and France.

A group of Spanish and French students from her school traveled to Spain and France from June 9<sup>th</sup> through the 18<sup>th</sup>. They visited Madrid, Barcelona, and Paris, where they were able to practice the language they'd been learning. One of her favorite parts was seeing the Eiffel Tower up close. She said it was very big and impressive. She also said that she thought that this trip helped her grow in her understanding of how other countries work because she got to learn about the monarchies of Spain and France before they became republics. She also got to learn about Euros and experience their culture.

She returned for a couple of days and is now on her way to the Dominican Republic for a mission trip.

If you would like to share an event with your church family just let us know. Email to: [peeb26@outlook.com](mailto:peeb26@outlook.com)

## COMMITTEE MEETINGS

### ADMINISTRATIVE BOARD MEETING- June

1. The roof estimates are done. The cost will be \$53,223. There will be a deposit amount of \$26,561. This project is estimated to begin around the 1<sup>st</sup> of July.
2. A letter was distributed to the congregation on future projects with projected costs for the upkeep and repair of the church that need to be done.
3. Children's ministry will be purchasing a program called "Sermon of the Week." They will also be purchasing a heater for the baptismal pool.

### SHOULD WE? or SHOULDN'T WE? DO WE? or DON'T WE?

That was the question for Sunday afternoon on June 23rd. Is the Ice Cream Social going to be held indoors or outside? And the decision wasn't made until the very last minute. There had been intermittent rain and sprinkling; the sun was out and then it was cloudy. So it was; we held it inside and we could have been outside. The weather did clear. None of that mattered, as we had a great time. Ice cream and toppings, cookies, brownies, cupcakes, and lemonade were served, all with a generous helping of fantastic country music. The soloists were amazing, and the choir was at the top of their game.

We need to thank those who jumped in to lend a hand. We thank you, Carol Johnson, for adding the toppings on the ice cream and helping in the kitchen. A big thank you to Alex Perdew for helping in the kitchen and keeping the drink containers filled. We used 5 gallons of lemonade alone!

We must thank all of you for attending and giving very generous donations, for without you none of this would be a success!

Three-fourths of the donations will go to the parish bathroom repairs. The other fourth will go to the choir budget.

### CAN YOU HELP JOIN OR VOLUNTEER?

We are looking for volunteers to join our fund-raising committee. Our church has some major expenses coming up in the near future. This committee will be instrumental in coming up with and implementing ideas with the help of volunteers. The goal is to help raise funds for these major expenses.

If you would like to be a part of this new and exciting venture, please let Pastor Floyd know or contact Jennifer at the church office at [southbloomfieldgmc@gmail.com](mailto:southbloomfieldgmc@gmail.com).

If you would rather not be on the committee but are willing to help at an event, please sign up to help. Notify Jennifer or let Pastor Floyd know that you will help with a planned event.

#### IF YOU ARE NOT LISTED:

**INFORMATION ON VARIOUS TRUSTEE CONCERNS***-by Jim McDaniels*

I thought I would provide an update on where the Church Trustee's energy has been focused these last few years and how your assistance has created and sustained our church buildings.

I'll begin with Fellowship Hall. It was built almost a decade ago, in 2014. The cost was over \$400,000. It has been paid for by the generous donations and fund drives that have occurred over the last few years. Just last year, it was paid in full. After Fellowship Hall was built, we conducted numerous repairs and upgrades to the parsonage, church, and Fellowship Hall.

The repairs and upgrades included:

- ◆ Repaired the 45-year-old ovens - \$1,800
- ◆ Two new upright refrigerators
- ◆ Storage shed built - \$2,500.
- ◆ New sound system for the church - \$3,500
- ◆ New roof for the parsonage - \$18,000, installed 2017
- ◆ One refurbished lower refrigerator - \$3,400
- ◆ New range hood - \$1,200.
- ◆ Sound damper panels - \$17,000 in the hall
- ◆ New windows for the parsonage - \$5,500

All these items were paid for by our insurance and the generous donations of our wonderful congregation. We had a major cost savings on the roof replacement from the physical dismantling of both chimneys by three church members.

Then, literally all of our planned projects were placed on hold with the disaffiliation from the United Methodist Church. This was an unplanned, unfinanced requirement that cost over \$50,000. In keeping with our projected plan for the sustainability of the buildings, we had another unfunded occurrence with an infestation of bats in our church attic. We hired a local company to remove, clean, and disinfect our precious church building. This small, unplanned event cost us approximately \$47,000. Who knew these bats were a protected species?

That being said, you can see that our financial budget has decreased.

Now, instead of repairing our church's roof, a total replacement will have to occur. After contacting our insurance company to assist us in covering the cost, they refuted the claim because of existing water damage. Needless to say, we are persevering with a new metal roof and steeple, which we believe will last another 50 years or more. Of the many contractors we have gotten quotes from, this will set us back another \$53,000 or more, hence the need for additional money to protect our church.

As you can see, we have many requirements for our beloved church buildings. Over the next few years, we hope to accomplish all of these and more.

In conclusion, remember that I mentioned our project list. Here are a few of the items:

1. Remodel the single outdated bathroom located on the first floor of the parsonage (plumbing issues) at an estimated cost of \$5,500.
2. Install a new full bathroom on the second floor of the parsonage at an estimated cost of \$9,500.
3. Remodel the upstairs bedrooms with closets at an estimated cost of \$4,800.
4. Remodel the kitchen and utility room. Update with new appliances, cabinets, and insulate walls to protect against the pipes freezing at an estimated cost of \$25,000.
5. Replace both HVAC units for the church and parsonage at an estimated cost of \$19,000.
6. Replace the garage roof at an estimated cost of \$4,500.

As you can see, we have many requirements for our beloved church buildings. Over the next few years, we hope to accomplish all of these and more.
